Dear Friends:

I am pleased to extend my warmest greetings to everyone attending the 12th San Francisco New Concept Film Festival (SFNCFF).

This popular festival in our city gives audiences of all ages a chance to enjoy a unique line-up of films by both seasoned and emerging filmmakers from over Asian Pacific countries. SFNCFF also offers everyone in attendance a chance to learn about film makers life, and to celebrate the many facets of culture diversity.

On behalf of the Catwalk for Charitable Causes of San Francisco, we offer and celebrate our firm community with our unique production Fashion On Film Theater inspired by the international awarded films including Barbie in 2022, Poor Things in 2023 and this year the India film "Tanhaji, the Unsung Warrior."

I applaud those presenting works this year for sharing their talent and heritage through the medium of cinema. I would also like to commend the organizers, volunteers and sponsors for making this festival such a resounding success, year after year.

I wish you all an enjoyable and memorable experience!

Sincerely,

Monique Zhang
